

Cisco Systems Invites You to **NETWORK ON WHEELS**

CISCO SYSTEMS MOBILE SHOWCASE IS HEADED IN YOUR DIRECTION

Come experience the latest real world, small and medium-sized business solutions from Cisco Systems in a mobile showcase designed to educate, entertain and interact with you.

NETWORK POWER IN MOTION...FOR GROWING BUSINESS

The Cisco Network on Wheels (NOW) is a 25-foot mobile showcase equipped with the latest Cisco networking technologies designed specifically for small and medium-sized businesses (SMBs). The showcase provides hands-on demonstrations of proven integrated networking solutions, which are customizable to your business size and needs.

Once on-board the Cisco Network on Wheels, you will experience interactive demonstrations of technology solutions designed to enhance your competitive edge – maximize productivity and ROI, enhance customer care and loyalty, increase user satisfaction and reduce operating costs – ultimately driving your business growth.

THE FOUR KEY NETWORKING SOLUTIONS INCLUDE:

- IP Communications Solutions: Lower costs and expand business capabilities by adding voice and video to your data network.
- Security Solutions: Safeguard your business with integrated network security.
- Mobility/Wireless Solutions: Increase organizational productivity and reduce expenses while in office, on-the-road or at home.
- Network Foundation Solutions: Enablement of new business applications to enhance employee productivity and reduce network costs.

We look forward to seeing you!
